RULE SUMMARY

809-015-0020 – New rule to establish procedures for Board consideration of a request to reissue a revoked registration
809-003-0000 – Adopt new definitions to clarify meaning of "responsible charge of work" as defined in ORS 672.505(11) and within OSBGE rules adopted in OAR Chapter 809.
809-030-0005 – Ensure consistent use of term "responsible charge" within OSBGE rules
809-030-0015 – Clarify standards for geologist registration with respect to education, examination, and work experience and address supervision in "responsible charge"
809-030-0020 – Clarify standards for certified engineering geologist registration with respect to education, examination, and work experience and allow a combination of supervised and "responsible charge" work experience as qualifying experience
809-050-0000 – Clarify when registrant has "responsible charge" in context of sealing and signing geology work products
809-050-0010 – Clarify standards for cooperative geologist registration with respect to education, examination, and work experience in a manner comparable to Oregon standards as required in ORS 672.595 and update temporary permit criteria to reflect limitations imposed by ORS 672.545(3)(b)

The Agency requests public comment on whether other options should be considered for achieving the substantive goals of the listed rule revisions while reducing the negative economic impact of the rules on business.
