RULE SUMMARY

ORS 390.180 (1) authorizes the Director of the Oregon Parks and Recreation Department to adopt administrative rules that establish a master plan for each state park. Accordingly, OPRD is adopting a new master plan for Nehalem Bay State Park. Master plans for state parks are adopted as administrative rules under OAR 736-018-0045. The purpose of amending OAR 736-018-0045 is to adopt the Master Plan for this park as an Oregon Administrative Rule.

The Master Plan responds to the most current information on park resource conditions and public recreation needs as they pertain to this park. The plan was formulated through OPRD's mandated master planning process which included meetings and written comment opportunities involving the general public, an advisory committee, local residents, tribes that are affiliated with the area, and affected state and federal agencies and local governments. The Department held a rule-making hearing and accepted testimony on the proposed rule amendment for adoption of the Master Plan.

The Master Plan to be adopted through the rule amendment has no affect on small businesses. However, businesses have had the same opportunities to be involved, through public meetings and written comment opportunities, as other members of the public.
