

## ASSOCIATION OF BOXING COMMISSIONS

### “HEALTH AND SAFETY DISCLOSURE”

---

**As per the Muhammad Ali Boxing Reform Act (federal law), each commission must present to every professional boxer, a medical disclosure upon issuance of a Federal Identification Card.**

As a professional boxer you should be aware that this sport includes many health and safety risks, particularly the risk of brain injury. Therefore, it is strongly recommended that a professional boxer undergo the necessary medical exams that detect brain injury. If you need further information about these exams, please contact the Oregon Boxing and Wrestling Commission.

I affirm that I understand the above statement.
