Need for the Rule(s):

A new plan for Cape Lookout State Park is being adopted to provide direction to the Oregon Parks and Recreation Department (OPRD) regarding the future management of the park resources and development of facilities for public recreation access. The plan responds to the most current information on park resource conditions and public recreation needs as they pertain to this park setting. The purpose of amending OAR 736-018-0045 is to adopt, through the administrative rule process, the new plan for this park.

Documents Relied Upon, and where they are available:

Cape Lookout State Park Comprehensive Plan (Draft). Available for review at the OPRD web site, [http://egov.oregon.gov/OPRD/PLANS/planning\\_capelookout.shtml](http://egov.oregon.gov/OPRD/PLANS/planning_capelookout.shtml). Hard copies and copies on CD are available upon request from the OPRD headquarters office in Salem.

Fiscal and Economic Impact:

The park plan we seek to adopt through the proposed rule amendment will provide guidance to OPRD on the management of the park resources and development of facilities for public recreation access at Cape Lookout State Park. The plan may be used as a basis for seeking funding for planned projects; however, there is no guarantee that the planned projects will be funded or developed. Neither the plan nor the rule amendment for adoption of the plan will provide the funding for the planned projects. As such, we expect no positive or negative fiscal or economic impacts due to this rulemaking action.
